PROGRAM DESCRIPTIONS

Sparkle & Shine 1 & 2

Join us for 5 days of dance, games, and crafts. Each day will have a theme so dancers can dress up and enjoy! We have two Sparkle & Shine camps this Summer; the first in July for 4 hours per day and the second in August for 6 hours per day. We hope to see you in the studio for a fun-filled week!

Glow & Grow Dance Camp Intensive

This is the perfect dance camp and intensive hybrid. Lead by our amazing instructor, Miss Ava, dancers will have the opportunity to train in technique and choreography exploration while also participating in dance based activities to draw out your creative side. We recommend this program for dancers ages 7-13 who wish to strengthen their dance training and have some Summer fun!

4 Week Programs

We offer two series of 4-Week Programs, giving dancers the chance to customize their Summer training. The core series run weekly on Tuesdays and we are excited to share we have added Acro classes on Thursdays in July this season!
